Day of Awareness

October 1, 2026

Lethbridge Public Library's Day of Awareness is a celebration of all the library does to support a strong community and protect your right to read.

Throughout the day at the Main Branch and The Crossings Branch, learn from staff how libraries change lives, write letters of support for public libraries to elected officials, and take pictures in our photo booth.

Celebrating Storytime

10 - 10:35 a.m. | Crossings Branch

4 - 4:30 p.m. | Main Branch

Celebrate your family's right to read what you want at this storytime featuring
historically-challenged, family-friendly picture books.

Read What You Want

6:30 - 7:30 p.m. | Crossings Branch

You're invited to share an excerpt from a book that is important to you at this Day of Awareness event. Attend to read or just to listen and stand up for our collective freedom to read
